About OCL Vision

OCL Vision is the only surgeon-owned, comprehensive private eye care group in England. With OCL Vision surgeons operating in dedicated clinics in London and Hertfordshire, patients can access world-class eye care closer to home with a specialist consultant who has dedicated their career to a specific branch of Ophthalmology.

OCL Vision's clinics on New Cavendish Street in central London, The Universal Building, Kensington and at Elstree's Centennial Park, provide a wide range of eye-related surgical procedures including cataract surgery, LASIK, Smartsight and LASEK laser eye surgery, refractive lens exchange surgery as well as other types of surgical vision correction techniques.

Expert surgeons also offer retinal surgeries – including same-day, emergency surgery for retinal detachment patients – glaucoma surgery, retinal therapy for diabetes and macular degeneration, cosmetic and reconstructive eyelid surgery and facial rejuvenation.

With over **180 years of collective experience** in eye surgery, OCL Vision is made up of an elite group of eye surgeons who together have performed over **70,000 surgical procedures, published more than 250 research papers** and presented their work both nationally and internationally. Together they provide patients with the highest standards of private eye care.

What makes us *different*?

We are a consultant led and run specialist ophthalmic clinic ensuring we have top-level clinical leadership to achieve the best possible clinical outcomes.

OUR VISION STATEMENT

To take personalised eye care to a new level of excellence and expertise and to be a model for collaborative working amongst the UK's top consultant eye surgeons. To ensure the OCL Vision brand is synonymous with the best sub-specialist eye care available anywhere in the World and at the forefront of research into innovative technologies and techniques.

CONSULTANT LED CARE

At your consultation, we perform detailed investigations followed by an assessment delivered by our surgeons, meaning you'll be kept up to date and informed throughout your visit.

LEADING SURGEONS

Our surgeons have established reputations and are some of the best in the country, with over 70,000 completed surgeries between them.

FULLY TAILORED TREATMENT PLANS

All our treatments are tailored to each individual patient based on their examination findings and individual requirements, so you'll always get the perfect procedure for your eyes.

STATE-OF-THE-ART TECHNOLOGY

Eye surgery requires perfect precision. That's why we have invested in only the latest and most advanced technology.

10 reasons to choose OCL Vision

#1 Comprehensive eye assessment with our specialist team – our dedicated diagnostics teams will take several scans of your eye, ensuring that your treatments are unique and tailored to your absolute needs and requirements.

#2 Personalised bespoke eye care plan – we do not offer a one size fits all approach but rather customise every treatment to your visual needs.

#3 Surgery is performed by **leading UK surgeons** who each have dedicated specialisation and training in eye surgery. Our surgeons have each completed their residency training in the UK and have completed fellowship training in centres of excellence to further their specialist skills.

#4 Access to **state-of-the-art technology** – we have ensured via an exhaustive process that the equipment we use within our facilities is the most up to date state-of-the-art available to patients anywhere in the UK.

#5 First-class clinic facilities – our clinics in Central London, West London and Elstree, Hertfordshire provide a centre of excellence

for high-end vision correction. All our clinics have been designed with the patient in mind.

#6 Free 'dropAdrop' App – **our unique eye care app** allows for notification reminders to be sent to you following your surgery with us, meaning a robust aftercare program to ensure you never miss a drop.

#7 Consistently **excellent feedback** on independent review sites. We are the highest-rated multi-specialist, multi-location eye practice on Trustpilot.

#8 **We believe our results are the best in the UK and amongst the best published worldwide.**

#9 The choice for healthcare professionals and their families – we treat many surgeons, doctors and anaesthetists who also refer their friends and family to us as they know they will be in safe hands with our expert surgeons.

#10 Professional caring team to help you with every step of your journey – we pride ourselves on recruiting and retaining the best staff in the business to ensure that you are supported throughout every stage of your journey.

Meet our consultants

Our consultants are an elite group of some of the most highly skilled and experienced eye surgeons in the country.

At OCL Vision we have a variety of super specialised consultants who have each dedicated their careers to the specific branch of eye care that is relevant to your needs.

Our surgeons are at the forefront of technology and have been voted by their peers as the best in their fields.

OCL Vision founding surgeons were voted by their peers as some of the UK's best cataract surgeons following a national survey of eye surgeons in 2018 and also appear in Spear's 500, 2022 as best UK eye surgeons.

They are regularly consulted by industry and feature on advisory boards for new technologies. It's a testament to our surgeons that we're trusted the world over to use the very latest technology, and that we're involved in advancing the field of lens and laser eye surgery. We are the highest rated multispecialty eye practice on Trustpilot.

Each of our surgeons have been trained in UK centres of excellence including Moorfields NHS Trust and have then gone on to carry out advanced subspeciality training at UK & international centres of excellence in their chosen field of interest.

Patients travel from all over the world to see us for our expertise on a regular basis.

Payment options at OCL Vision

Our pricing is transparent, inclusive and upfront with no hidden extras. We offer a range of finance options and can work with you to make our pricing manageable. We are recognised by all insurers.

Self-Pay Patients

For self-pay patients we accept all major debit and credit cards including AMEX (no additional fees) or BACS transfer.

0% Interest Free Credit

We are partnered with Novuna and offer interest free finance for all of our eye surgery procedures. Our affordable finance can make it easier to spread the cost of surgery over up to 24 months.

Insured Patients

We are registered with most major insurance companies and aim to bill within the cover the insurance companies provide. There are certain technologies we offer that insurance companies do not cover e.g. multifocal lenses - in these cases, there may be an excess to pay.
